SIR,

Subject Waiving of the Audit Objection on the Accounts of the Davangere City Municipality raised by the Local Auditors for the year 1950-51 for having drawn and paid allowance at Rs 15/- P M to the Official Sri H Bhima Rao, Municipal Head Clerk and to sanction the payment of the said allowance for the years 1951-52 and 1952-53 etc ,

---

I write to state that a special recommendation had been submitted to Government in this office letter No H C 11/52-53 dated 26th June 1952 in pursuance of the resolution dated 29th May 1952, passed by this City Municipal Council in the matter of obtaining sanction of Government to ratify the action of this City Municipal Council in having paid special allowance (in the form of duty allowance) at Rs 15/- P M to Sri H Bhima Rao, Head Clerk of this Municipal Office for a few months from June 1949 to end of May 1951 in anticipation of sanction of Government for attending to the Council Work in addition to his other legitimate duties and for obtaining further sanction to pay this official the said allowance for the remaining period from June 1951 to end of the year 1951-52 and its further continuance during the year 1952-53 also in this behalf in the light of the special circumstances already placed before the

Government /

Government in this office letter No H C 11/52-53 dated 26th June 1952 and to state that orders of Government in this behalf have not been received

In this connection, I may be permitted to state that the work connected with the Council meetings has to be tackled by a separate clerk, as it involves not only heavy work, but also the responsible work which has to be expeditiously attended to As the entertainment of an additional hand of IInd Division Clerk in grade Rs 40-2-50-3-80 per month involves extra heavy expenditure to the Municipality, it was proposed to entrust this work to the Head Clerk by giving him a nominal duty allowance of Rs 15/- P M This aspect of the question has to be considered by the Government and recommendation of the Council to be sanctioned As otherwise a separate hand will have to be entertained to attend to the Council work which will involve an extra average expenditure of Rs 63/- per month By approving the present resolution of the Municipal Council, the Municipality would be saving at least Rs 48/- per month

I request you, therefore to kindly obtain sanction of Government to the resolution of the Municipal Council dated 29th May 1952 as recommended in this office letter No H C 11/52-53 dated 26th June 1952
